

## Tangrami

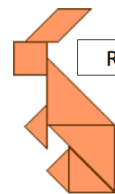

Pred Vama su tangrami koje možete isprintati, a potom ponuditi djetetu da ih izreže i slaže u različite oblike. Ponuđeni su oblici koje dijete treba gledati te prema njima slagati dijelove u cjelinu. Dijelovi tangrama dostatni su samo za jedan oblik. Boje tangrama za printanje te boje u oblicima ne poklapaju se u svim oblicima (važno je slijediti formu, odnos i smještaj većih i manjih dijelova).
